GRAND TOTAL ESTIMATED COST	\$1,500,000.00

AND WHEREAS, the Board of Directors deems it necessary and advisable that the proposition for the issuance of bonds of said District be submitted to the qualified electors of said District who own taxable property therein and have duly rendered the same for taxation;

THEREFORE, BE IT RESOLVED AND ORDERED BY THE BOARD OF DIRECTORS OF SMITH COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1 (OWENTOWN):

1. That the report of the District's Engineer referred to in the preamble hereof is hereby approved and adopted by this Board of Directors.

2. That an election is hereby ordered to be held on the 4th day of FEB, 1961, in said District, for the purpose of submitting to the qualified electors of said District, who own taxable property therein and have duly rendered the same for taxation, the following proposition:

PROPOSITION

Shall the Board of Directors of Smith County Water Control and Improvement District No. 1 (Owentown) be authorized to issue bonds of said District in the maximum amount of \$1,500,000.00, to mature serially or otherwise over a period of not more than forty (40) years from their date, and to bear interest at a rate not to exceed six (6%) per cent per annum; and if there shall be annually levied and collected on all the taxable property in said District for the current year and annually thereafter while said bonds, or any of them, are outstanding and unpaid, a tax sufficient to pay the current interest on said bonds and to pay the principal as the same becomes due, the payment of said bonds to be additionally secured by a pledge of the net revenues of the District's waterworks system and sanitary sewer system; such bonds to be issued for the purpose of financing the purchase, construction, extension and improvement of a waterworks system and a sanitary sewer system for said District, including acquisition of necessary lands and equipment therefor and all other things necessary or incidental thereto.

3. The ballots for said election shall have written or printed thereon the words:

OFFICIAL BALLOT

FOR THE ISSUANCE OF BONDS, THE PLEDGE OF NET REVENUES AND THE LEVY OF TAXES ADEQUATE TO PROVIDE FOR THE PAYMENT THEREOF.

AGAINST THE ISSUANCE OF BONDS, THE PLEDGE OF NET REVENUES AND THE LEVY OF TAXES ADEQUATE TO PROVIDE FOR THE PAYMENT THEREOF.

Each voter shall vote on the proposition hereby submitted by scratching or marking out one of the above expressions, thus leaving the other as indicating his vote.

4. That for the purpose of said election the entire District is hereby constituted one voting precinct. The polling place for said election shall be the Owen Development Co. Office, Owentown, Texas, in said District, and the following named persons are hereby appointed to act as election officers:

Loyd E. Mayfield, Presiding Judge
W. L. Moore, Assistant Judge
MAURINE NEVES, Clerk
Mrs. C. I. Mc LEMEE, Clerk.

5. The election officers shall make and deliver the returns of said election in triplicate, one being retained by the Presiding Judge, one delivered to the President of the District, and one delivered to the Secretary of the District. The ballot box and other election supplies and records shall be delivered to the Secretary at the office of the District and shall be preserved in said office as provided by law.

6. That the Secretary of the Board of Directors is hereby directed to publish a substantial copy of this resolution and order, or notice containing the same, signed by the President and Secretary of the Board, once a week for four consecutive weeks in a newspaper having a general circulation in Smith County, Texas, the first of said publications to be made at least twenty-eight (28) full days prior to the date fixed for said election.

7. The said election shall be held and conducted in accordance with the laws of the State of Texas for holding general elections, except as otherwise provided by Chapter 3A, Title 128, of the Revised Civil Statutes of Texas, as amended.

8. All persons who are resident qualified property taxpaying voters, who own taxable property in said District and who have duly rendered the same for taxation, shall be entitled to vote at said election.

PASSED AND APPROVED, this the 30 day of Dec., 1960.

THE STATE OF TEXAS

COUNTY OF SMITH

On this the 30th day of December, 1960, the Board of Directors of Smith County Water Control and Improvement District No. 1 (Owentown) convened in special session, at the regular meeting place with the following members thereof present, to-wit:

JOHN M. NEVES,	President
L. W. MORRIS,	Director
R. B. ROWLETT,	Director
E. F. TEDDER,	Director
ROBERT F. McLEEMEE,	Secretary

when, among other proceedings had, were the following:

Director McLemee introduced an order and moved its adoption. The motion was seconded by Director Rowlett. The motion, carrying with it the adoption of the order, prevailed by the following vote:

AYES: Directors Morris, Rowlett,
McLemee, Tedder;

NOES: NONE.

The order is as follows:

WHEREAS, on the 28th day of November, 1960, the Board of Directors of Smith County Water Control and Improvement District No. 1 (Owentown) passed an order setting down a hearing on the exclusion of lands or other property from said District, which hearing was set down for the 30th day of December, 1960; and

WHEREAS, notice of such hearing was given for the time and in the manner prescribed by law, which notice gave advice to all interested property owners in the District of their right to present petitions for exclusions and to offer evidence in support thereof, or to contest any proposed exclusion and offer evidence in support thereof, whether based on a petition or upon the Board's own conclusions; and

ORDER SETTING DOWN A HEARING FOR THE EXCLUSION
OF LANDS OR OTHER PROPERTY FROM SMITH COUNTY
WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1
(OWENTOWN)

THE STATE OF TEXAS
COUNTY OF SMITH

On this the 28th day of November, 1960, the Board of Directors of Smith County Water Control and Improvement District No. 1 (Owentown) convened in special session, at the regular meeting place with the following members thereof present, to-wit:

JOHN M. NEVES,	President
L. W. MORRIS,	Director
R. B. ROWLETT,	Director
E. F. TEDDER,	Director
ROBERT F. McLEEMEE,	Secretary

when, among other proceedings had, were the following:

Director E. F. Tedder introduced an order and moved its adoption. The motion was seconded by Director R. F. McLeeme. The motion, carrying with it the adoption of the order, prevailed by the following vote:

AYES: Directors MORRIS, ROWLETT,
TEDDER, McLEEMEE;

NOES: NONE.

The order is as follows:

WHEREAS, Smith County Water Control and Improvement District No. 1 (Owentown) having been heretofore properly created and established and directors of said District appointed by the State Board of Water Engineers, and the Board of Directors of said District having made and approved preliminary surveys and adopted plans for the purchase, construction, extension, improvement, maintenance and operation of a waterworks system, and the

purchase, construction, extension, improvement, maintenance and operation of a sanitary sewer system, said Board of Directors now deems it necessary and advisable that a public hearing be held for the purpose of considering petitions for the exclusion of lands or other property from such District;

THEREFORE, BE IT ORDERED BY THE BOARD OF DIRECTORS OF SMITH COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1 (OWENTOWN):

1. That a public hearing be held in said Smith County Water Control and Improvement District No. 1 (Owentown) at 9:00 o'clock, A.M., on the 30 day of December, 1960, at Water District Office, (Owentown), in said District, at which time and place the Directors of said District will announce their own conclusions as to the exclusion of lands or other property and will receive petitions for exclusion of lands or other property.

2. Notice of such hearing shall be published in one or more newspapers having a general circulation in said District, which notice shall be published once each week for three consecutive weeks, the date of first publication being not less than thirty (30) nor more than forty (40) days prior to the date of said hearing. Said notice shall give advice to all interested property owners in the District of their right to present petitions for exclusions and to offer evidence in support thereof, or to contest any proposed exclusion and to offer evidence in support thereof, whether based on a petition or upon the Board's own conclusions.

3. Petitions for exclusion of lands must accurately describe the metes and bounds of such lands. Petitions for exclusion of other property shall describe the same for identification.

4. All petitions for exclusion shall be filed with the District not later than ten (10) days prior to the date fixed

for said hearing, and said petitions must clearly set out the particular grounds on which the exclusion is sought and consideration shall be confined to the stated grounds.

5. Said hearing may be adjourned from one day to another and until all persons who desire to be heard are heard.

6. The Secretary of the Board of Directors is hereby authorized and directed to prepare and publish said notice of hearing.

PASSED AND APPROVED, this the 28th day of November, 1960.

John M. Nevel
PRESIDENT, BOARD OF DIRECTORS.

MINUTES OF FIRST MEETING OF THE BOARD OF
DIRECTORS OF SMITH COUNTY WATER CONTROL
AND IMPROVEMENT DISTRICT NO. 1 (OWENTOWN)

THE STATE OF TEXAS
COUNTY OF SMITH

On this the 24th day of October, 1960, the first meeting of the Board of Directors of Smith County Water Control and Improvement District No. 1 (Owentown) was held at Owentown, Texas, at which meeting the following members of the Board were present: R. B. Rowlett, E. F. Tedder, Robert F. McLemee, John M. Neves, and L. W. Morris, and the following absent:

Director John M. Neves was selected as temporary chairman of the meeting and declared same open for such business as might come before it.

By order passed on the 10th day of October, 1960, the State Board of Water Engineers created said Smith County Water Control and Improvement District No. 1 (Owentown), and appointed the above-named five directors. It duly appears that all five directors have accepted their appointments as directors of the district and have previously qualified by making bond and taking the oath of office as provided by law and are willing to serve as directors.

The temporary chairman stated that the organization of the Board of Directors and the election of officers was in order and called for nominations for president of the Board of Directors. Director John M. Neves was nominated for that office. There being no further nominations for president, the nominations were closed. The temporary chairman called for a vote and John M. Neves was unanimously elected president, all directors present voting for him for that office and no one voting for any other director. The temporary chairman declared

John M. Neres
L. W. Morris

as the duly elected President of the Board of Directors.

The President took the chair and called for nominations for the office of vice-president, whereupon Director L. W. Morris was nominated for that office. There being no further nominations for vice-president, the nominations were closed. The President called for a vote, and Director L. W. Morris was unanimously elected vice-president, all directors present voting for him for that office and no one voting for any other director. The President declared Director L. W. Morris as the duly elected vice-president of the Board of Directors.

It was moved, seconded and unanimously carried that the office of Secretary-Treasurer of the District be combined, and the President called for nominations for secretary-treasurer, whereupon Director R. F. McLeamee was nominated for that office. There being no further nominations for secretary-treasurer, the nominations were closed. The President called for a vote and Director R. F. McLeamee was unanimously elected Secretary-Treasurer, all members present voting for him for that office and no one voting for any other director. The President declared Director R. F. McLeamee as the duly elected Secretary-Treasurer of the Board of Directors.

It was moved, seconded and unanimously carried that the regular office of the District for the conduct of the District's business be established and maintained at Quiver Development Office
Quiverston.

DATED the 24 day of October, 1960.

As a result of discussions between the parties hereto had in connection with a proposal to form Smith County Water Control and Improvement District No. 1 (Owentown), a public agency, having powers to construct facilities essential for water conservation and impounding and borrowing money for such purposes, and/or for the purpose of purchasing an existing water and sewer system and for the construction of necessary water and sewer facilities, it appears that a Water Control and Improvement District as authorized by Texas laws will be most effective. In view of the detailed steps required incident to the organization of such a District and to secure funds for purchase of certain properties and construction purposes, and since a material expenditure of time and money will be required before full powers to secure the necessary funds may be obtained, it is considered advisable that the parties hereto at this time enter into an Agreement for the accomplishment of all the purposes in accordance with the provisions hereof. Therefore, it is agreed by and between Parties of the First Part (hereinafter referred to as the "District") and Parties of the Second Part (hereinafter referred to as "James C. Tucker & Co., Inc.") that:

1. District has selected Gibson, Spence & Gibson, Bond Attorneys, Austin, Texas, to prepare and direct all legal proceedings and procedure incident to the proper, appropriate and legal formation of the District, including the creation and organization, and the proceedings to be had incident to the authorization issuance, and delivery of bonds, including the giving of a final and unqualified approving opinion as to the validity of such bonds. James C. Tucker & Co., Inc. agrees that they will cooperate and assist such Bond Attorneys to the best of their ability as may be required.
2. District has selected Wisenbaker & Fix, as Engineers, for the project or projects to be undertaken, and James C. Tucker & Co., Inc. agrees to assist and cooperate with such Engineers to the best of their ability as may be required.

and the fees of any other attorneys who may be retained by District, except as hereinafter provided. James C. Tucker & Co., Inc. shall pay actual expenses necessarily required for all advertising, traveling and securing of appropriate information and data. In the event District is formed and bonds are authorized, James C. Tucker & Co., Inc. will pay the cost of the bond blanks and the printing of the bonds, and all expenses incident to the obtaining of the approval of the Attorney General and the State Board of Water Engineers and the expense of delivering the bonds to James C. Tucker & Co., Inc., Austin, Texas, the purchasers.

4. James C. Tucker & Co., Inc. at the proper time shall assist and advise with District in determining the details of the bonds to be issued, including maturities, rate or rates of interest, place of payment and option features, it being understood that such details shall in all instances be within any limitations prescribed by law. The District agrees to sell and James C. Tucker & Co., Inc. agrees to purchase all bonds authorized from time to time in minimum installments of \$125,000 at a price of \$950 for each \$1,000 bonds bearing interest at $4\frac{3}{4}\%$, or at an effective interest rate or combination of rates that will reflect an interest cost the same as it would have been had the bonds been sold for \$950 for each \$1,000 bonds bearing interest at $4\frac{3}{4}\%$.

5. Acceptance of this proposal is based on the District having an Assessed Valuation whereby the total debt will not exceed 25% of the Assessed Valuation and the Assessed Valuation shall not exceed 65% of the estimated or Actual Value.

6. The District agrees to levy a tax of not less than \$0.50 per \$100.00 of Assessed Valuation in the 1960-61 tax year.

7. The District agrees to deposit from the bond proceeds at the time the bonds are taken up and paid for by James C. Tucker & Co., Inc., a total of $1\frac{1}{2}$ years interest in advance and this money shall be deposited and left in the Interest and Sinking Fund Account. This account may be invested in

U. S. Treasury Obligations maturing prior to the respective interest payment dates.

8. The District agrees to escrow any construction funds under a regular escrow agreement to be drawn by the attorney and approved by James C. Tucker & Co., Inc.

This agreement shall be from date hereof until such time as shall be sufficient to accomplish the purposes hereof.

Improvement District No. 1
Route #1
Tyler, Texas

Dear Mr. Neves:

At the meeting of the Board of Directors of Smith County Water Control and Improvement District No. 1 On Oct. 24, 1960, there was discussion regarding the acquisition of water and sewer facilities in the District.

This letter is to let you know that the Board of Directors of Owen Development Company has given authority to enter negotiations with you for the conveyance of the water and sewer facilities owned by this company. Consideration for the transfer of these facilities are to be based on the appraisal by Wisenbaker, Fix and Associates, Tyler, Texas, which appraisal and engineering report was included in the minutes of the State Board of Water Engineers ordering the creation of Smith County Water Control and Improvement District No. 1 at its regular meeting on Oct. 10, 1960.

When the water district is ready, this company is ready to complete the transactions and get the public water district in operation. Please keep us informed of your plans.

Very truly yours,
OWEN DEVELOPMENT CO.

ORDER UPON HEARING - GRANTING PETITION
CREATING WATER CONTROL AND IMPROVEMENT
DISTRICT AND APPOINTING DIRECTORS

THE STATE OF TEXAS)

OFFICE OF STATE BOARD OF WATER ENGINEERS)

AUSTIN, TEXAS)

On this the 10th day of October, 1960, the State Board of Water Engineers convened in regular session, at their regular meeting place in the City of Austin, Travis County, Texas, with the following members present, to-wit:

<u>Durwood Manford</u>	, CHAIRMAN
<u>R. M. Dixon</u>	, MEMBER
<u>O. F. Dent</u>	, MEMBER

WHEREAS, on the 10th day of October, 1960, there came on to be considered the petition of more than fifty landowners within the proposed district, praying for the creation and establishment of Smith County Water Control and Improvement District No. 1 (Owentown), in Smith County, Texas, which petition had been theretofore set down for hearing before this Board at this time; and

WHEREAS, all persons whose land is included in or would be affected by the creation of such district were particularly invited to offer testimony and to show that such district is or is not necessary, would or would not be feasible or practicable, and would or would not be a benefit to the lands in said district or a public utility; also all interested persons were invited to offer testimony with reference thereto, and some such persons did appear and offer testimony with reference thereto; and at the close of the hearing, this Board made and adopted the following order and resolution:

IT AFFIRMATIVELY APPEARS AND THIS BOARD AFFIRMATIVELY SO FINDS AND DECLARES:

I.

That on the 23rd day of August, 1960, a petition was presented to this Board praying for the creation and establishment of a water control and improvement district to be known as Smith County Water Control and Improvement District No. 1 (Owentown), and that said petition has been filed and recorded in the office of the County Clerk of Smith County, Texas, as provided by law, and thereupon said petition was set down for hearing before this Board on this the 10th day of October, 1960.

II.

That notice of such hearing was given by the Sheriff of Smith County by posting notice thereof on the bulletin board used for posting legal notices at the Courthouse door of Smith County, Texas, at least fifteen (15) days prior to the date of such hearing, and by causing such notice to be published in THE TYLER COURIER-TIMES, a newspaper of general circulation published in Smith County, once each week for two consecutive weeks, the date of the first publication thereof being at least twenty (20) days prior to the date of the hearing.

III.

That said petition is signed by more than fifty persons owning land within the proposed district.

IV.

That the territory of said proposed district lies entirely within Smith County, Texas.

V.

That this Board has jurisdiction to entertain said petition and to conduct said hearing under the provisions of Chapter 3A, Title 128, Revised Civil Statutes of 1925, together with all amendments and additions thereto and particularly an addition thereto by the provisions of Chapter 280, Acts of the 41st Legislature, 1929.

That the general nature of the work to be done is set out in said petition, and that negotiations are under way for the financing of the proposed improvements and that the estimated cost thereof is set out in said petition, and that said petition was accompanied by a deposit of \$250.00 to pay all costs which may be incurred in such proceedings.

VII.

That the organization of such District as prayed for is feasible and practicable, and that the lands to be included and the residents thereof will be benefited thereby, and that there is a public necessity therefor, and the creation of such district will further the public welfare.

VIII.

That no persons appeared at such hearing asking that their lands be excluded from the district, and no exclusions of lands were deemed necessary by this Board.

IT IS THEREFORE ORDERED AND RESOLVED BY THE BOARD OF WATER ENGINEERS OF THE STATE OF TEXAS:

1. That said petition be and the same is hereby granted, and thereupon Smith County Water Control and Improvement District No. 1 (Owentown) be, and the same is hereby created and established as prayed for in said petition.

2. That said Smith County Water Control and Improvement District No. 1 (Owentown) is created, established and organized under the terms and provisions of Section 59, of Article 16, of the Constitution of Texas, and Chapter 3A, Title 128, Revised Civil Statutes of 1925, together with all amendments and additions thereto.

3. That said district is organized for certain purposes specified in said Chapter 3A, of Title 128, as follows:

(1) The control, storing, preservation and distribution of its waters and flood waters, the waters of its rivers and streams, including waterworks purposes, sanitary sewer purposes, and all other useful purposes; with power to control, abate and amend any shortage, or harmful excess of waters, and to protect, preserve and, when necessary, restore, the purity and sanitary condition of waters within the district. These objects may be accomplished by any and all practical means.

(2) To provide, own, maintain, operate, and control all works, facilities, plants, equipment and appliances in any and all manner incident to, or helpful or necessary to the collection, transportation, processing, disposal, and control of all domestic, industrial, or communal wastes, whether of fluids, solids or composites, and further to gather, conduct, divert and control local storm waters, and other local harmful excesses of water. The foregoing ends may be accomplished by any and all mechanical or chemical means or processes, incident, necessary or helpful to such purposes, to the end that the public health and welfare may be conserved and promoted, and the purity and sanitary condition of the State's waters protected, effected or restored.

4. The following five persons, each of whom is a resident citizen of the State of Texas and owns land subject to taxation in the District: R. B. ROWLETT, E. F. Tedder,
ROBERT F. McLEWEE, JOHN M. NEVES and L. W. MORRIS,

are hereby appointed directors for said District, and they shall serve until their successors are elected or appointed; and such directors shall within fifteen (15) days from this date file their official bonds in the office of the County Clerk of Smith County and the same shall be presented to the County Judge of Smith County for approval, as provided in Article 7880-22, Revised Civil Statutes.

5. That said District lies entirely within Smith County, Texas, and is described by metes and bounds as follows, to-wit:

6. A certified copy of this order and resolution shall be filed and recorded in the office of the County Clerk of Smith County, Texas.

The foregoing order and resolution having been read, it was moved by Member Dixon, and seconded by ~~Member~~ Chairman Manford, that it be passed, and upon the question being called for, it was unanimously passed, all members present voting AYE and NONE voting NO.

PASSED, approved and ordered at Austin, Texas, this the 10th day of October, 1960.

IV.

That said proposed district is to be organized under the provisions of Section 59, Article 16, of the Constitution of Texas, and Chapter 3A, of Title 128, Revised Civil Statutes of Texas, 1925, and all amendments and additions thereto.

V.

Said district shall be organized for certain purposes specified in said Chapter 3A, of Title 128, as follows:

(1) The control, storing, preservation and distribution of its waters and flood waters, the waters of its rivers and streams, including waterworks purposes, sanitary sewer purposes, and all other useful purposes; with power to control, abate and amend any shortage, or harmful excess of waters, and to protect, preserve and, when necessary, restore, the purity and sanitary condition of waters within the district. These objects may be accomplished by any and all practical means.

(2) To provide, own, maintain, operate, and control all works, facilities, plants, equipment and appliances in any and all manner incident to, or helpful or necessary to the collection, transportation, processing, disposal, and control of all domestic, industrial, or communal wastes, whether of fluids, solids or composites, and further to gather, conduct, divert and control local storm waters, and other local harmful excesses of water. The foregoing ends may be accomplished by any and all mechanical or chemical means or processes, incident, necessary or helpful to such purposes, to the end that the public health and welfare may be conserved and promoted, and the purity and sanitary condition of the State's waters protected, effected or restored.

VI.

That the general nature of the work to be done is the purchase, construction, extension, improvement, maintenance and

operation of a waterworks system for domestic, industrial and commercial purposes, and the purchase, construction, extension, improvement, maintenance and operation of a sanitary sewer system, and to control, abate and amend the harmful excess of waters, all as more particularly described in an engineer's report filed simultaneously with the filing of this petition, to which reference is here made for more detailed description, and such other construction, purchase, installation, maintenance and operation of such additional facilities, systems, plants and enterprises as shall be consonant with the purposes for which the district is organized.

VII.

That a public necessity exists for the organization of such district to provide for the purchase, construction, extension, improvement, maintenance and operation of such waterworks system and sanitary sewer system, so as to promote and protect the purity and sanitary condition of the State's waters and the public health and welfare of the community.

VIII.

That said projects are practicable and feasible, due to the availability of water and the nature of the soil and contour of the land, and will serve and be a benefit to all the land within the district and the residents thereof, and will be a public benefit and utility, and that the creation of the said district will further the public welfare.

IX.

That it is estimated by your petitioners from information available at this time that the cost of such project will be approximately \$_____.
